*Preamble and resolutions relative to certain lots in the town of Perrysburg,  
Wood county, Ohio.*

Whereas the Congress of the United States, by an act passed February twenty-eighth, one thousand eight hundred and twenty-three, granted to the State of Ohio a quantity of land, equal to one mile on each side of a road, to be laid out from the west line of the Connecticut western reserve to the Maumee river; and whereas the State of Ohio, by their agent, selected, as a portion of the lands so granted, certain in and out lots in the town of Perrysburg, Wood county, Ohio, which selection was regularly approved by the Commissioner of the General Land Office, and accounted for by the State of Ohio to the United States; and whereas the State of Ohio has long since sold said lots, most of which are now in the hands of actual settlers with large and valuable improvements; and whereas, also, the United States, by the officers of the land office, have decided that said lots were improperly taken, and have already sold, under the authority of

the United States, several of said lots, and it is feared they may proceed to sell others; therefore—

*Resolved by the General Assembly of the State of Ohio,* That our Senators in Congress be instructed, and our Representatives be requested, to use their best exertions to procure the passage of a law confirming the titles to said lots in the State of Ohio and her grantees.

*Resolved,* That the Governor be requested to forward to each of our Senators and Representatives a copy of the foregoing preamble and resolution, with a request to lay them before their respective houses.

JOHN M. GALLAGHER,

*Speaker of the House of Representatives.*

THOMAS W. BARTLEY,

*Speaker of the Senate.*
